Use where Carrier has become worn,
bent or damaged

MEI Trailer Carriers

Full Assemblies

Direct Replacement for Knorr Applications
Easy and Quick to replace Full Assemblies

MEI Trailer Carriers

Trailer Axle Conversions

Direct Replacement for Knorr Applications

Can replace Haldex and Wabco Applications *

Easy and Quick to remove the old assemblies and fit the new MEI assemblies

Standardise Brake Pads and Seal Kits across the fleet

Utilise benefits of Twin Piston design for improved Pad Life

* If replacing Haldex or Wabco calipers with MEI you must replace both calipers on the axle and use the correct new brake pad set.
